OMK is one of leading Russian enterprises

OMK provides excellent and intelligent solutions in the field of metallurgical production and service to Russian fuel and energy complex, including facilities of nuclear and heat energy, construction companies, machinery, car manufacturing, railway car building, and rail transport.

OMK consists of six metallurgical and machinery enterprises, one of the largest railway car maintenance companies in Russia, metal service and trade network.

Chusovoy Metallurgical Works and Springer brand

(Perm region, Russia)

OMK's manufacturing plant in Chusovoy is the largest and the most modern leaf spring factory in Russia, which produces separate parts for light and heavy commercial vehicles, and is a certified OEM and IAM supplier for car factories.

Springer is a brand for leaf springs manufactured by Chusovoy Metallurgical Works (ChMW), an OEM and IAM supplier known for the quality and reliability of its products and excellent customer service.

In 2020 Chusovoy Metallurgical Works was awarded with a bronze medal by the Toyota Engineering Corporation for the overall production and engineering culture development level.
